## Christmas Party 2016

It was a small turn out, but we still enjoyed great food and some exciting flying stories - - - some of which may have been true.

Which of us have not provided entertainment by unselfishly demonstrating one or more of the proper methods to re-kit a model?

***None reported, we're getting better, flying less or building very strong flying machines.***

**Editor's note:** I recently returned from Moreno Valley, California where I spent 3 weeks helping my mother during my stepdad's passing. Consequently I was not able to publish a January newsletter. Please help bring me back up to speed with pictures and stories about you model adventures. Thanks, Wayne
